“Self-Run?” explanation:

- Any group can sit down and play a “Yes” without help. No really, try it!
- If you’ve played it once before (at this con or anywhere else) then you can run a “Maybe”. Come one, you can do it!
- If you know/own/have run the game before, you can run a “No” – or a “Maybe” or anything you bring with you (put it on the menu!). We want as many people to run games as possible!
